

Tucker Bryant Speaker Overview

At a Glance

Tucker Bryant is an acclaimed poet and former Googler on a mission to help leaders unlock breakthrough ideas by **Doing Different Things Differently**. During his decade in Silicon Valley, Tucker became fascinated by reinventing poetry for a modern audience through interactive, immersive experiences that challenge how art is made and shared. Through his keynotes, Tucker shares how the creative principles that poets and artists use to transform their craft can help today's leaders rethink how they drive innovation, inspire teams, and unlock growth.
